

BUSINESS INTELLIGENCE SOLUTIONS  
FOR YOUR ENTERPRISE

Mirnah offers cutting edge Business Intelligence solutions in the Retail, FMCG, Sales & Distribution & Direct Store Delivery/Route Accounting Analytics. Our core competency is the implementation of Business Intelligence solutions with 100% focus on the QlikView Business Discovery platform.

Mirnah's key objectives are to help its clients deploy cost-effective business intelligence solutions using QlikView that deliver significant value and insight within a short period of time. The solutions are designed to be rapidly adopted providing valuable insight and granularity to the business that allows informed business decisions to be made NOW, not in months or years.

We strive to be the leading 100%-focused QlikView solution provider in the industries that we serve. We have delivered QlikView implementation projects in Retail & Distribution, Direct Store Delivery in FMCG & dairy Industries. Mirnah helps you bring a business discovery solution from concept to production.
